

"Striving for excellence in software development."

Education

2022–2026 **B.Tech in Computer Science**, Central University of Haryana, Mahendragarh, Haryana, *Current CGPA: 8.5/10*
Relevant coursework: Data Structures, Algorithms, Object-Oriented Programming, Database Management Systems

Experience

- Developing and optimizing web applications using modern frameworks.
- Collaborating with cross-functional teams to design and implement new features.
- Writing efficient and maintainable code in C++ and Python.

Skills

Programming Languages	C, C++, Python, JavaScript
Web Development	HTML, CSS, React, Node.js, Django
Tools	Git, Docker, Visual Studio Code
Concepts	Object-Oriented Programming (OOP), Data Structures and Algorithms (DSA), Database Management

Publications

Tanwarashish. "Efficient Algorithms for Large Data Sets," *Journal of Computer Science*, 2024 (2024)

Interests

Coding Competitions	Regular participant in coding contests on platforms like CodeChef and LeetCode.
Open Source	Contributing to open-source projects on GitHub.
Reading	Enjoy reading technical blogs and books on software development and technology trends.
